Subject: PML - New Life Applications Available February 1st

Sent to Penn Mutual Advisors | 30JAN17

New Life Application Available February 1

Effective February 1, 2017, a new Life Application will be available for use in all states. The application has been updated to reflect the recent sub-adviser changes for the Penn Series Funds.

The current application will be accepted for a 60-day

transition period. Effective April 1, 2017, only the new application will be accepted.

Updated versions of applications can be found on the Life and Annuity Application Builder in Producer's Place, LaserApp, are orderable through RR Donnelley CustomPoint, or you can email the Mid-Atlantic Regional Office with the state variations required at midatlantic@pennmutual.com and we will send to you the electronic versions requested.
