# Premium limits expanded for select IUL products

To provide greater flexibility for larger cases, we're increasing the amount of premium your clients and prospects can place into Eclipse Protector and Eclipse Survivor Pro with the Performance Death Benefit Guarantee Agreement.

Effective Monday, June 25, 2018, we're increasing the annual maximum premium limits to THE GREATER OF:

- \$1 million, or
- Five times the target premium

This change applies to both new and inforce cases.

Please note: Premium limits do not apply to 1035 exchanges or products issued without the Performance Death Benefit Guarantee Agreement.
