**American General Forms Update:**

Effective July 20, 2018, our Licensing and Contracting Department has removed the wording "AND APPOINTED" from the New Business Checklist for United States Life Application (**AGLC103546 Rev0718**). This form is part of the application packet for New York applications so you may not use this form in your system. The revised form is in the website listed below:

<http://aigag.fgsfulfillment.com>

For those of you who have Customer Service forms in your system, the Request for Change in Allocations form has been revised to update the products and for cosmetic changes that make the form easier to read and complete by the Policyowner and financial professional effective July 23, 2018.

Please note there are two variations, depending on the product:

- Max Accumulator+ - **Form AGLC108873MAX (Rev0418)**
- Value+ Protector – **Form AGLC108873VPP (Rev0418)**
- 

Previous versions of the forms will be accepted through September 3, 2018.

Please update your system with the revised forms as soon as possible (if applicable).

Let me know if you have any questions. Thanks.
