

All policies mailed on or after March 1, 2020 will now also be available for access on the [MyAssurity](#) customer portal. This provides your clients with the option to view an electronic copy or download their policy as originally issued. This is an additional offering and does not replace Assurity's current handling of policy delivery and requirements gathering.

Timely online information has never been more important and we are pleased to provide this additional service. If you have any questions about online policy access, please contact customer connections at 800-276-7619 Ext. 4279.
