

Recent MMSD enhancements for iGO completed

MassMutual Strategic Distributors (MMSD) is pleased to announce that in an effort to make iGO more user friendly, we are moving our POS question (Was a Point of Sale person utilized – Yes/No?) to the Go/No GO screen.

This movement will allow BGA case managers to enter the name of a POS representative before a case is sent to MassMutual via the Go/No Go process, in lieu of a producer answering this question when they are filling out the application.
