

Score Lower Premiums with Healthy Living

Symetra GoodLife Rewards

Symetra GoodLife Rewards is an underwriting crediting program designed to reward your clients through age 70 for living a healthy lifestyle.¹ Credits are automatically applied during the underwriting process for several lifestyle and medical indicators attributable to good health and a longer life.

Earned credits could improve an applicant's underwriting class (up to Preferred Non-Nicotine)—or offset up to three table ratings—scoring them lower premiums.

Your clients can earn credits for:

- Never used nicotine products
- Blood pressure history
- Family history
- Lipids
- Body Mass Index (BMI)
- Stress test results
- Electrocardiogram (EKG)
- Regular aerobic exercise
- Screening tests such as mammogram, colonoscopy and prostate-specific antigen (PSA)
