

Unleashing the Power of IUL

Do your clients know they may already own one of the most powerful financial tools in the country, but they're just not using it?

Join us to learn how life insurance can be the key to achieving financial goals by simultaneously growing and protecting your clients' retirement security.

We'll cover:

- The two decisions a client must make every time they purchase life insurance
- How to "opt out" of paying more taxes in retirement
- An impactful way to describe the power of index interest crediting in IUL
- The amazing tax advantages of life insurance that your clients don't understand
- A story you can tell clients on a napkin that shows how to achieve retirement security with life insurance

If you want to increase your IUL presentation confidence, this is a "must see".
